Message from the President

Dear Friends,

I am pleased to invite you to participate in Rodeo Austin 2016! As a lifetime supporter of 4-H and FFA, I welcome you to make the trip to Austin and participate in our growing show. We are proud to be the 8th largest Junior Livestock Show in the nation and would love to have you be a part of it!

We had a great 2015 show. The Calf Scramble Committee broke the all-time record for monies awarded in the Ultimate Scramble Championship (USC), awarding \$115,000. Due to their fundraising success, we were able to re-open USC entries and allow 160 participants to scramble. We also saw exciting changes in the Rodeo Arena by embracing a new fan-friendly, tournament-style ProRodeo format. We are happy to announce that due to the exciting new format and a great concert lineup, we broke the all-time record for rodeo and concert ticket sales.

As a former chair of the Youth Auction, I'm proud to share the continued success of the Youth Auction in 2015—raising \$1.2 million for 400 exhibitors. We enjoy hosting this event in downtown Austin at the Bullock Texas State History and hope you enjoy it too! Be sure to check out the incredible shots with the champion animals and the State Capitol on social media.

We look forward to growing our entries and arrivals in 2016. To accommodate our growing heifer show, we will move to a two-day format. In addition, we are pleased to be able to purchase additional pens to accommodate our exhibitors. Don't forget that Austin is a busy place in March! Please book your hotel rooms early.

We hope to see you in Austin March 12-26, 2016 as Rodeo Austin celebrates 79 years of *Promoting Youth Education — Preserving Western Heritage*.

Sincerely,

A handwritten signature in blue ink that reads "Brian Lehne". The signature is fluid and cursive.

Any protest not officially filed within 24 hours of the alleged incident may not be considered. These cases are referred to the Executive Committee who will have full power to act in its sole discretion. The decision of the Executive Committee shall be final and non-appealable. Judging procedures will not be interrupted for protest investigation.
23. **Sifting/Classifying Committees:** Rodeo Austin will appoint Sifters and Classifiers to inspect animals. Exhibitors must remove blankets from animals at inspection. Animals judged unworthy must be removed. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the Exhibitor concerned.
24. **Judging:** Exhibitors are responsible for knowing the times at which their Exhibits will be judged. Any Exhibit not presented promptly will be ruled ineligible and barred from competition in the class. No complaint or protest on the Show Grounds that the judge overlooked animals will be considered.

27. **Disqualification:** Should any animal/entry awarded a prize be disqualified, the lower placing animals/entries will NOT move into the higher position.
28. **Liability:** All Exhibits will be under the control and direction of Show Management, but Rodeo Austin will in no case be responsible for any loss, injury or damage which may occur. The Exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him/her and for its description as given in the Rules. Rodeo Austin does not assume ownership of livestock projects entered in the Show.

Any Exhibitor who improperly handles an animal in the Show ring is subject to removal from the Show. Show Management reserves the right to remove and/or disqualify the Exhibitor.

The Animal Care Committee works with the Executive Committee to create and enforce the Animal Care Policy. The Executive Committee reserves the right to make additions or changes to the Animal Care Policy as it deems necessary.

- 31. Unethically Fitted Livestock:** The showing of livestock of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited.

In addition, unethical fitting will be deemed to consist of changing the normal conformation of any part of the animals' body or using drugs, including over the counter and/or extra-label, or mechanical devices to alter the physical makeup and/or performance of the animal. This includes but is not limited to the following:

- a. Animals that are in milk due to an unnaturally induced lactation.
- b. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
- c. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
- d. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
- e. Blocking the nerves to prevent limping or switching of the tail.
- f. Striking the animal to cause swelling in a depressed area.
- g. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, hair, or feet (this is to include any materials added to feet of an animal) except the removal of warts or horns and permitted clipping and dressing of hair and trimming of hooves.
- h. Insertion of foreign material under the skin.
- i. Changing the color of hair at any point, spot or area on the animals' body. Any grooming material that allows color to come off from any animal will not be allowed at the Show.
- j. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus), is prohibited.
- k. Injection, drenching or application of any substance per rectum is prohibited. Further, the application of any substance to or near the tail or anus is prohibited.
- l. The use of alcoholic or carbonated beverages in the feed or administered as a drench.
- m. The use of diuretics.
- n. Administration of a drug internally or externally prior to the Show that does not adhere to the Rules, specifically including the Drug Residue Avoidance Policy (see Rule 24 of the Junior Livestock Show Special Rules).
- o. Administration of a drug internally or externally at the Show by someone other than the Official Show Veterinarian or that otherwise does not adhere to the Rules, specifically including the Drug Residue Avoidance Policy (see Rule 24 of the Junior Livestock Show Special Rules).

All medication administered during the Show must be administered by the Official Rodeo Austin Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition.

The Official Show Veterinarian, in agreement with the Competitions Coordinator, reserves the right to treat any animal if, in the opinion of the Official Show Veterinarian, it is in the best interest of the animal's health and well-being to be treated. If the Official Show Veterinarian administers treatment to an animal and therefore uses any medication that requires a withdrawal time, the animal will be determined ineligible for competition.

The term "drug" shall mean any substance for which the sale, possession or use is controlled by license under federal, state, or local laws or regulation and any substance commonly used by the medical or veterinary professions which affects the circulatory, respiratory, muscular, skeletal or central nervous system of any animal.

The Exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding age and milking status is correctly stated. All Junior Market and Breeding Animals will be required to have signatures on each entry form stating that the animal was not unethically fitted. These forms must be signed by the following:

- a. Junior Exhibitor
- b. Parent or Guardian
- c. County Extension Agent or Agricultural Science Teacher

All Exhibitors are responsible for security of their own animal(s) until they depart for their final destination (processing/ranch). The Exhibitor agrees to submit any animal, breeding and/or market, entered by him/her to inspection by any veterinarian appointed by the Executive Committee and agrees to have such animal submitted to such tests as may be requested at any time. The Show also reserves the right to have ultrasound, D.N.A., tissue, blood, urine and/or feces laboratory analysis made on any animal entered for competition. The Exhibitor, including his or her parent or guardian or AST or CEA for Junior Exhibitors, must be present during the collection for analysis and must witness, seal and initial the sample as well as sign the appropriate sample documentation; thus verifying the sample to be properly collected and prepared for analysis. The conclusions reached by the veterinarian and/or laboratory analysis shall be final and conclusive without recourse against the Show or any officer, director, or employee thereof or any veterinarian as appointed by the Executive Committee. The Exhibitor waives any right of action which he/she might have for any action taken under this Rule, and releases the Show and the veterinarian from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals may be closely screened for any performance enhancing compounds. This includes but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.

In the event any animal is declared by Show officials, veterinarian or analyzing agency to be unethically fitted, the Executive Committee is authorized to bar the Exhibitor and his or her family from any further participation in the Show. Reinstatement of anyone barred may be made only by a majority vote of the Executive Committee. The Exhibitor will forfeit all titles, awards, prizes, auction proceeds, Premiums and Scholarships if the animal and/or Exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter.

32. **Testing:** All Quality Assurance Testing, sample collection and laboratory analysis required by the Show, will be paid for by the Show. Payment for any other tests (i.e. blood typing, etc.) required in the Junior or Open Livestock Show will be the sole responsibility of the Exhibitor.
33. **Animal Health Requirements:** All livestock and poultry must enter through Gate #1 only. Horses must enter through Gate #2 only. State Law requires livestock, horses and poultry entering the Show Grounds to be accompanied by proper health papers which shall be presented at the time livestock, horses and poultry arrive on the Show Grounds. Health Papers are NOT required for Junior Market Animals. Exhibitors agree to read and comply with all current Texas Animal Health Commission Rules and Regulations. See Texas Animal Health Commission Rules for details. Current Texas Animal Health Commission Rules and Regulations take precedent over this Rule. There will be no exceptions.
34. **Diseased Animals:** No animals having a disease of any character will be admitted to the Show Grounds at any time, and the Superintendents are instructed and authorized to refuse unloading privileges to any livestock, horses and poultry having a disease or undesirable ailment. 35. **Veterinarians / Medication:** Animals under the care of a licensed veterinarian and/or taking any type of performance enhancing medication to include, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers, are ineligible for competition. Exhibitors with questions regarding medications and/or eligibility should consult with the Official Rodeo Austin Veterinarian prior to competition.

For the convenience of Exhibitors, the Show arranges to have veterinarians available; however, they do NOT donate their services or medications. Fees should be discussed before treatment.

All medication administered during the Show must be administered by the Official Rodeo Austin Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (i.e. including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition.

Cattle must be shown with halter and be sufficiently gentle to be properly handled by one attendant on foot except for animals participating in the Texas Longhorn non-halter classes. Bulls over 240 days of age must have a permanent or temporary nose ring and nose lead, all other cattle must have a curb chain, when not tied in stalls. The use of nose leads is encouraged on all bulls. When cattle are not attended by the Exhibitor, the cattle must be restrained with halter in the designated cattle tie.
38. **Exhibitor Safety:** If exhibition of an animal poses a danger to the Exhibitor and/or other parties, Show Officials reserve the right to: (1) allow a substitute Exhibitor or (2) remove the animal from competition.

Additional bedding may be purchased from the Show.

44. **Livestock Release:** All livestock must remain in stalls or pens until their designated release time. There will be no early release without written consent from Competitive Events Management. Anyone attempting to load livestock before their release time may have his/her truck and/or trailer towed away. No livestock may exit the Show Grounds between 10:00 p.m.-7:00 a.m. Any violation of release times may cause the forfeiture of all Premium and/or sale monies earned and the Exhibitor may be barred from future participation.
45. **Photographs:** Exhibitors agree to present their animal(s) at the request of Show Officials for official photographs. All photographs taken by the official photographer(s) become the property of Rodeo Austin. Unofficial (i.e. personal) photographs may not be published without written approval of Management. 56. **ANIMAL HEALTH REQUIREMENTS:** Rodeo Austin Officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the Show requirements if there is a dispute between the two in which the Show rules are less restrictive than TAHC regulations.

The Show considers itself an interstate (accepting entries of livestock and poultry from within Texas and from other states) Show for livestock entries. Exhibitors with livestock originating outside the state of Texas are encouraged to contact their state Animal Health officials to confirm what specific requirements, if any, their state may impose on animals returning from a Texas Show.

Routine Inspection Procedures (What the Exhibitor Should Expect):

1. For the Livestock Show, representatives of the Show will meet the incoming livestock vehicle at the Gate #1 check-in trailer. For the Horse Show, representatives of the Show will meet the incoming horse trailer at Gate #2.
2. All documents are to be examined and a visual inspection of the shipment is to be made. Be certain that Certificates of Veterinary Inspection, EIA test information, permits, etc. are still valid. A visual exam of the animals is to be made to ensure that the animals described on the documents are the same as those in the shipment.
3. If shipments meet all entry requirements, Rodeo Austin will allow the driver to proceed without delay. Return the certificates and other documents to the owner or driver.
4. If shipment does not meet the requirements, the driver should pull the truck or trailer out of the traffic's way. If animals must be unloaded, they must remain in a separate pen (holding area) away from other livestock.

Individuals should be allowed to contact the Official Show Veterinarian or their own veterinarian to obtain proper documents and/or test. Documentation must be in writing – no corrections will be allowed by phone. Fax documents are permissible.

Certificate of Veterinary Inspection must indicate that the accredited veterinarian found the animals, horses or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. JUNIOR LIVESTOCK SHOW

JUNIOR LIVESTOCK SHOW SPECIAL RULES

JUNIOR LIVESTOCK SHOW ENTRY DEADLINE – DECEMBER 1, 2015

DEFINITIONS:

Capitalized terms used in these Junior Livestock Show Special Rules, but not otherwise defined herein.

SPECIAL RULES:

1. **Eligibility:** Junior Livestock Show Exhibitors are subject to the General Rules as well as the Special Rules. Participants are responsible for knowing and complying with all Rules of this Show.

Participation in the Junior Livestock Show is limited to Texas resident students, who are bona fide members of a Texas 4-H Club or Texas FFA Chapter, and who have continuously owned and personally fed and cared for their animals under the direct supervision of a CEA or AST. Exhibitors must be enrolled in and attending public, private or home school, elementary or secondary schools in Texas. Students must be between the ages of 9 and 18 on or before August 31, year prior to Show. Exception: students in the 3rd grade become eligible on their 8th birthday.

Exhibitors may enter as either a 4-H or FFA member, but not as both in the same Department. Any Exhibitor who enters as both in the same Department will have all his/her entries disqualified without refund of fees.

2. **Ineligible Exhibitor:** A junior Exhibitor who has placed a Grand Champion in any prior Junior Livestock Show for Market Steer, Market Lamb, Market Goat, Market Barrow, Market Turkey or Market Broiler at any prior Rodeo Austin is not eligible to enter the Department in which that Grand Champion was placed.

Junior Exhibitors and Participants suspended under **Texas Education Code 33.081 “No Pass, No Play”** are ineligible to participate in any Rodeo Austin Junior activity, event or competition. Any animal owned by an ineligible Exhibitor is ineligible for competition.

All Texas 4-H and FFA Exhibitors are considered to be eligible by Rodeo Austin to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to the appropriate Superintendent of the Livestock Show at least 24 hours prior to any weighing, sifting, classifying or judging. If such notification is not received at least 24 hours prior to the beginning of competition, Rodeo Austin will consider the Exhibitor as eligible to participate.

3. **Social Security Number Requirement:** All Exhibitors and Participants must have a personal Social Security Number to be eligible to participate in Rodeo Austin. Social Security Numbers must be recorded on entry forms. International Exhibitors and contestants may be approved on an individual basis.
4. **Foreign Exchange Students:** Non-United States citizens and foreign exchange students are eligible to compete in the Junior Livestock Show provided they meet all other eligibility requirements. Such individuals are ineligible to receive Rodeo Austin Scholarships.
5. **Entry:** Rodeo Austin makes available to CEAs and ASTs in charge of 4-H Clubs or FFA livestock programs the opportunity to enter members in their programs in the Junior Livestock Show, subject to these Special Rules. These Rules are only minimum requirements for participation in the Show and are not intended to limit the right of any CEA or AST, or the Texas AgriLife Extension or the Texas Education Agency to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available only to CEAs and ASTs supervising these livestock projects. In no event are these Rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. Processing and/ or deposit of funds does not constitute acceptance of entries from an individual and or club or chapter. Eligibility of individual members of a club or chapter are subject to verification and approval. In no event shall any CEA or AST be considered to be an agent of Rodeo Austin for any purpose.

Entries in the Junior Livestock Show must be made by the CEA or AST under whose supervision the animals were fed and will be returned if submitted by others. The CEA or AST must certify on the entry form that the animal and the owner(s) are eligible under the Rules of this Show. It is the responsibility of the CEA or AST to read all Rules and check each entry form carefully before signing it. If entries are not correctly submitted they will be returned.

Entry receipts and signatures from 4-H and FFA must come in separate packages with separate checks. Junior entry receipts and signatures must be on current forms with a current Junior Summary Sheet for each club or chapter, listing all owners and their entries along with one (1) check to cover total fees due (entries and passes). Checks for junior entries must be drawn on 4-H or FFA accounts, money orders or cashier's checks. Personal checks will not be accepted.

For more information regarding Entry Forms refer to the General Rules on page 14 or www.RodeoAustin.com.

6. **Signatures:** All junior livestock Exhibitors must have the required signatures (Exhibitor, AST/CEA and Parent or Guardian) on each Certification of Entry and W9 form.
7. **Ownership:** Exhibitors must own their animals at the beginning of and throughout the entire feeding and fitting period. Exhibitors must feed, care for, and exhibit their animals without any aid or assistance during the entire feeding and fitting period except from the CEA, AST, immediate family member, or other 4-H or FFA members from the 4-H club or FFA chapter from which the animals are entered. Show Management will Rule on all issues regarding ownership (i.e. ribbon, Premium, or other auction/sale).
8. **Ownership/Feeding/Fitting Periods:** The required ownership, feeding and fitting periods are:

Market Steers: June 30, year prior to Show
Market Turkeys: November 5, year prior to Show
Market Lambs: October 31, year prior to Show
Market Goats: October 31, year prior to Show
Market Barrows: November 30, year prior to Show
Market Broilers: January 27, year of Show
Breeding Beef Heifers: November 1, on or year of Show

Market Animals: Validation and/or sales receipt will be used to verify ownership date for Market Animals.

Breeding Heifers: Original registration certificates will be used to verify ownership date for breeding heifers. Animals must be registered in the herd book of their association in the name of the junior owner on or before the required ownership date. Purchase, delivery, possession and registration must all take place on or before the required ownership date.

In addition, all heifers must be validated through the Texas 4-H and FFA Heifer Validation Program for the Junior Breeding Heifer Show. Heifer validation will include uploading registration papers online and physical validation. The deadline for heifer validation is November 1, 2015, but Exhibitors must adhere to county deadlines for physical validation.

9. **Country of Origin:** Entry is limited only to Market Animals that meet United States Country of Origin requirements. By entering a Market Animal, the Exhibitor attests to first-hand knowledge, normal business records or producer affidavit(s) that all livestock entered into the Show are of United States origin. Rodeo Austin refuses entry of market livestock that are not of United States origin for entry into the Show.
10. **Partnerships:** Partnership animals are NOT eligible in the Junior Livestock Show.
11. **Ineligible Animals:** Any animal owned by an ineligible Exhibitor is ineligible for competition. Any animal which has sold at auction at any Major Livestock Show is NOT eligible for the Junior Livestock Show.
12. **Double Entries:** Animals shown in the Junior Livestock Show may also be shown in the Open Livestock Show if classes are available. See instructions in the Special Rules of each Department.
13. **Exhibitor Substitution:** Entries in the Junior Livestock Show must be shown by their owner. Exhibitor substitutions may be allowed under the following conditions. In all cases, the Department Superintendent must approve the Exhibitor substitution and will do so only if all conditions are met.

Substitute Exhibitors may show only one animal, in addition to their own project, in each Junior Market Department.

Type A — Other School Activity: This substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show. This request must be made on the official Rodeo Austin Exhibitor Substitution Form provided by the Department Superintendent. This request must be accompanied by a notarized statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed official Rodeo Austin Exhibitor Substitution Form and the notarized statement must be returned to the Department Superintendent prior to the start of the respective Show.

Type B — Sickness: This substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show. This request must be made on the official Rodeo Austin Exhibitor Substitution Form provided by the Department Superintendent. This request must be accompanied by a statement, signed by a physician, on his/her letterhead. The completed official Rodeo Austin Exhibitor Substitution Form and the physician's statement must be returned to the Department Superintendent prior to the start of the respective Show.

Type C — More than one entry in a class or the Exhibitor has entries in more than one department showing at the same time: this substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show or as soon as the problem arises, but in any case no later than the start of the respective Show. This request must be made on the official Rodeo Austin Exhibitor Substitution Form provided by the Department Superintendent. The completed official Rodeo Austin Exhibitor Substitution Form must be returned to the Department Superintendent prior to the start of the respective Show.

In any of the three (3) situations listed above, or in the case of an emergency, the Department Superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter or 4-H Club as the original Exhibitor with the following two (2) exceptions.

- a. The original Exhibitor is the only Exhibitor from that school, FFA Chapter or 4-H Club entered in that Department.
- b. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any Junior Livestock Show Exhibitor (meeting all requirements of the Junior Livestock Show Exhibitor in the Department entered) meeting the approval of the Department Superintendent may exhibit the animal.

14. **Custom Fitting:** Any animal fed or cared for by a custom fitter, at any time during the required ownership feeding and fitting period, is NOT eligible to show animal, except in the case of a Junior Livestock Show Exhibitor who is a member of the immediate family of a custom fitter. A custom fitter is considered anyone who is not an immediate family member of the family or the CEA or AST. Violators of this Rule will be barred from future participation.
15. **Animal Care:** Exhibitors must remain in charge of their Exhibits and care for them for the duration of the Show.
16. **Stalling:** Animals entered in the Junior Livestock Show must be stalled or penned in the division set aside for this purpose. Stalling will be assigned on a first-come, first-serve basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together.
17. **Weighing:** Steers, lambs, goats and barrows will be required to have a weight submitted by the Exhibitor to the Department Superintendent. This will be the official weight. Re-weighs are NOT permitted. The management reserves the right to weigh-back any animal at any time. Exhibitors must be present for Weighing, unless a substitution criterion is met (see Rule 13).
18. **Youth Auction Animals:** All placing market steers, lambs, goats, barrows, broilers and turkeys must be sold through the Youth Auction. Grand Champion and Reserve Grand Champion animals are required to be displayed for the duration of the Show under the care of the Exhibitor. The Youth Auction is limited to placing animals. Decoration of Market Animals for the Youth Auction is prohibited; animals must be presented at the Youth Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).
19. **Youth Auction Exhibitors:** The Junior Exhibitor must be present for the Youth Auction, unless substitution criteria are met, or that lot may be removed from the Youth Auction at the discretion of Show Management.

20. Youth Auction Caps: Youth Auction Caps are as follows:

Grand Champions

Steer	\$30,000
Goat.....	\$12,000
Barrow	\$12,000
Lamb	\$12,000
Broiler	\$5,000
Turkey.....	\$5,000

Reserve Grand Champions

Steer	\$20,000
Goat.....	\$8,000
Barrow	\$8,000
Lamb	\$8,000
Broiler	\$4,000
Turkey.....	\$4,000

The Grand Champion of each species must sell for more than the Reserve Grand Champion of its species. The Reserve Grand Champion of each species must sell for more than lower placing animals of its species. In the event that the amount bid for an animal exceeds any of the above Youth Auction Caps, the excess money will be contributed to the Youth Auction Cap.

21. Terminal Shows: This is a terminal Show for lambs, goats, barrows, poultry and all placing steers. All lambs, goats, barrows, poultry and all placing steers brought onto the Show Grounds must go to market. Non-placing steers have the option to sell at market price or be released to Exhibitors. In the event a suitable resale market is not established for a Junior Market species, Show Management reserves the right to release all animals back to the Exhibitor.

Sift, Non-Place, Premium and Auction Checks: Owners will be paid for sifted and non-placing animals based on weigh-in weight. Checks for sifted and non-placing animals will be mailed to the 4-H or FFA address. A sales fee will be deducted from all resale lots to defray the cost associated with shipping and handling. If applicable, Premium monies for class placing's will be distributed by Rodeo Austin and mailed to the 4-H or FFA address. Auction sale checks will be issued by the Rodeo Austin Youth Auction and will be mailed separate from Premium checks or floor checks to the 4-H or FFA address. Junior market poultry owners will not receive a check for sifted and non-placing animals, as cost of shipping and handling exceeds their market value.

Market Animal Disposition:

Rodeo Austin strives to ensure a fair price for Market Animal projects. Market conditions may dictate the sale of Market Animals be conducted through local terminal markets (i.e. sale barns, etc.). Rodeo Austin reserves the right to charge the Exhibitor freight, yardage and any and all marketing fees applicable to the sale of each animal. A sales fee of 5% of the Youth Auction total and floor price will be charged to the seller on all animals sold.

22. Animal Load-out: It is the responsibility of each Exhibitor to see that his/her animal is received at the load out area, check-in card is present with the animal, and the entry number is written on the release form for Texas Livestock Marketing Association (TLMA).

23. Wholesome Meat Act: The USDA Wholesome Meat Act applies to all market livestock. Only Market Animals eligible for immediate harvest may be brought onto the Show Grounds and exhibited:

- a. Animals must be in good health and free of drug or chemical residues.
- b. Drug label directions for use and withdrawal periods must be followed.
- c. If drug or chemical residues are found in tissue, the entire carcass may be condemned.

Rodeo Austin will in no way be liable or responsible for the condition of carcasses or the sale price of the animal. In such cases, the Exhibitor forfeits all rights to any and all proceeds including: auction price, Scholarships, Premiums, market (floor) price and special awards.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply to these animals; however, breeding animals may be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics and pain killers.

24. **Drug Residue Avoidance Policy:** Rodeo Austin believes in the ethical and humane treatment of all animals. It is important to remember that livestock, including those for Show and exhibition, are raised for the primary purpose of producing food. In efforts to support the best practices in both Animal Care and food safety, Exhibitors and/or guardians must act responsibly to ensure the safe use of drugs in these animals and the safe production of food products. Best practices demand that the use of all drugs in food producing animals be conducted by or under the direction of a veterinarian.

All animals harvested for food, including show animals, are subject to testing for drug residues by the Food Safety Inspection Service (FSIS) of the United States Department of Agriculture (USDA). Exhibitors and/or guardians should note that FSIS places more scrutiny on show livestock and tests carcasses with a higher frequency than livestock from the commercial industry (FSIS Directive 10800.1 Page 9). Exhibitors and/or guardians can make informed decisions about administered drugs under the supervision of a veterinarian and by understanding the type of drug administered.

Antibiotics/Antibacterials—Exhibitors and/or guardians should follow all label directions in order to decrease the likelihood of residue in edible tissue. Detection at slaughter may result in action from the USDA. Any residue of the drugs detected will be considered a different infraction category than drugs that enhance performance or are illegal for food producing animals.

Anti-inflammatories—Drugs that may enhance performance or mask defects of livestock are strictly prohibited. Any traces of these drugs will constitute a serious infraction.

Beta-agonists—Exhibitors and/or guardians must follow all label directions to ensure food safety. Growth promoting drugs may only be administered to approved species for that compound. Residue of beta-agonists for unapproved species will constitute a serious rule infraction.

Prohibited Drugs—Any drugs listed in 21-Code of Federal Regulations 530.51 are strictly prohibited. Drugs that are unapproved by the FDA and/or USDA are also prohibited. Any trace of these drugs will constitute a serious infraction.

Following slaughter withdrawal recommendations for these drugs does not ensure that these drugs will not be detected. All instructions concerning the use of any drugs should be followed precisely and meticulous records should be kept by the Exhibitor and/or guardian. Should Exhibitors wish to voluntarily submit their records to Show Management, they may do so upon arrival to the fairgrounds to a designated Show Official at check-in. A form entitled [Rodeo Austin Animal Health Declaration](#) has been developed for the Exhibitors' use and is available online. Should drug residue be detected in an Exhibitor's project, the Exhibitor will benefit by having documentation of any and all treatments administered to the animal.

If the Exhibitor is found to have violated the Drug Residue Avoidance Policy, the Show reserves the right to bar the Exhibitor from competition for an indefinite amount of time. Infractions of the Drug Residue Avoidance Program will be addressed based on the category of residue detected. The Exhibitor will likely forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if disqualified. The market or floor money will also be forfeited if the animal is condemned at slaughter. The Exhibitor will be submitted to the Rule Infraction Database (RID), and other shows may choose to prevent the Exhibitor from competing in the future.

Exhibitors may have the right to appeal a violation of the Drug Residue Avoidance Policy. Rodeo Austin has full and exclusion discretion as to whether any appeal is permitted and as to whether any Exhibitor may utilize any appellate process.

25. **Blocking Tables and Trim Chutes:** No sheep blocking tables, goat blocking tables, or cattle trim chutes are permitted on Show Grounds during the Junior Livestock Show. Trim chutes are only allowed during the Open Livestock Show.
26. **Fans:** Fans will be limited to one (1) fan per three (3) head of cattle and one (1) fan per five (5) head of sheep, goats or hogs exhibited. No fans will be permitted in aisles during the Show.
27. **Scales:** Exhibitors will NOT be allowed to bring portable scales into the Show Barn. Scales will be provided by the Show. Electronic load bar scales for cattle are permitted in designated locations pending approval of the Department Superintendent.
28. **Cattle Stalling:** No cages or boxes will be permitted in the Show barn. Only end or side panels are allowed.

29. **Generators:** No generators are permitted on Show Grounds.
30. **Clipping:** No electrical clippers are permitted on the Show Grounds. Battery-powered clippers are allowed.
31. **Blow Dryers:** No livestock blowers will be permitted during the junior market Shows.
32. **Fire Regulations:** Fire code regulations require that no equipment, show boxes, trim chutes, etc. will be allowed in aisles. Blocking of any aisle will be strictly prohibited. Equipment may be stored in or above assigned pens in the Show Barn.
33. **Notice to Parents or Guardians of Participants and Participants:** Rodeo Austin, at its election, may choose to use photographs, videos and other likenesses of Participants in future publications including but not limited to, newspapers, magazines, television, promotional literature, World Wide Web (Internet) and Rodeo Austin programs. By allowing your child or ward to enter events of Rodeo Austin, you are deemed to have consented to such uses of photographs, videos and other likenesses of your child or ward.

After completing Self-Check-In, the kiosk will generate a confirmation receipt. It is the responsibility of the Exhibitor to ensure that all information on the receipt is correct. Show Weights: All Exhibitors will turn in the official Show Weight for their barrow. Show Weights will range from 240 to 280 lbs. All barrows with weights turned in outside of this range, will be sifted. Weight changes will not be allowed once the individual leaves the Self-Check-In area.

7. **Classes:** Superintendents along with Show Management will break classes after all weights have been turned in. In the event of a large number of barrows within the same weight class and same breed, the Show may break these groups into multiple sub-weight classes. To more effectively break classes, weights may be grouped by a maximum of a 3 lb. spread (i.e. 277-280). Classes could also be broken into sub-weight classes based on a measure other than weight. Barrows must show in assigned class, no exceptions will be made to posted classes. Show Management reserves the right to shift classes within a breed.
8. **Classification:** Breed must be declared at Self-Check-In. Barrows will be subject to classification by a three-member classifying committee. Any barrow classified out of their respective breed must come back to the arena during the Crossbred Breed Show, within their appropriate weight class for judging. The decision of the classifying committee will be final. See Barrow Classification Standards.

Barrows will be divided into the following breed divisions: Duroc, Hampshire, Yorkshire, O.P.B.-Dark, O.P.B.-White and Crossbred.

9. **Fitting:** The use of talc, oils or any foreign material is prohibited. Failure to comply with this Rule will result in disqualification.
10. **Clipping:** No electrical clippers will be allowed. Battery-powered clippers are allowed.
11. **Placing Barrows:** All placing barrows will sell in the Youth Auction. A total of 103 Barrows will sell in the Youth Auction.
12. **Texas Bred Barrows:** The Texas Pork Producers Association, Inc., PO Box 10168, Austin, TX 78766, will award a \$100 premium to the highest placing certified Texas Bred Barrow in each class. A Texas Bred Registry certificate from the breeder must be presented at the Show to qualify. Premiums are awarded and guaranteed via the Texas Pork Producers Association.
13. **Class Weigh-back:** All barrows penned in each class will be weighed back at judging. Barrows that weigh 10 lbs. less than the declared weight or more than 10 lbs. above the declared weight will be disqualified.
14. **Grand Champion Weigh-back:** Prior to selection of the Grand and Reserve Grand Champion, all Breed Champions and Reserve Breed Champions will be weighed back: barrows weighing 10 lbs. less than the declared weight or more than 10 lbs. above the declared weight will be disqualified. Should a Champion or Reserve weigh-out, he would retain his status as Breed Champion or Reserve Breed Champion but be ineligible to compete for Grand or Reserve Grand Champion.

After placing the lead rope on the halter, Participants will not be permitted to fasten the rope to themselves in any manner to aid in leading the calf over the finish line.
4. Participants will advance to the next round based on the order in which they crossed the finish line with the calf. In the event Participants cross the line at the same time, a coin toss will be used to determine who moves to the next round.

NOTE – Breeding Beef Heifers and Boer Goats only:

If a calf scramble certificate from another major Stock Show is being used in addition to Rodeo Austin USC Certificate to purchase a breeding beef heifer, the original breed registration papers must be sent by the breeder or the Exhibitor to the Stock Show which takes place the earliest on the calendar year. After the appropriate copies are made, the first Stock Show then forwards the original documents to the other Show(s) whose certificate values were allocated towards purchasing the breeding beef heifer. Certificates may be combined with certificates from other major Stock Shows as long as the animal is brought back to Rodeo Austin the following year. The original registration papers will be mailed to the Exhibitor after the scramble heifer has been shown in Rodeo Austin breeding Show and the Official Rodeo Austin Record Book has been received in the Competitive Events Office.

All correspondence should be sent to:

Rodeo Austin
Attn: Ultimate Scramble Championship
9100 Decker Lake Road
Austin, TX 78724

4. **Purchase Animals:** Participants will NOT be allowed to purchase animals from themselves, immediate family members or their ranches (family ranches or partnerships), or their Agriculture Science Teacher or County Extension Agent. 5. **2017 Show:** Winners must submit appropriate entry materials through their supervisor by December 1, 2016, and exhibit their animals at the 2017 Rodeo Austin Junior Livestock Show. Exhibitors must enter the appropriate Show depending on the market or breeding animal being entered.

6. **Monthly Letters:** Participants must write a letter addressed to their contributor(s) informing them of their progress by the tenth of every month starting in June after the 2016 USC. Monthly Letters must be sent every month – no matter if participant has not purchased or picked up the animal(s) yet. Letters can be handwritten or typed, and pictures are encouraged. Participants must submit original letters each month to their contributors, and send copies to both Rodeo Austin Competitive Events Office and to their AST/CEA. DO NOT send a monthly financial report form to contributor in the place of a monthly letter. These are two separate assignments – see #7 below.
7. **Scrapbook:** Participants must create a scrapbook of the year’s project. The scrapbook is a required part of the year-long project, and it will be judged based on the participant’s ability to relate their experiences throughout their project to the contributors and the committee. Scrapbooks should contain any and all information pertaining to the breeding or market animal. Participants may wish to include pictures, copies of documents, entry forms and numbers, ribbons, awards, etc. Participants must keep monthly financial reports to include in the scrapbook. Monthly financial reports can be downloaded at www.RodeoAustin.com. Participants must also include a 500-word essay about the livestock project-

The scrapbook must be either delivered or received by mail to Rodeo Austin Competitive Events Office by 5:00 p.m. on March 1, 2016. Participants are not required to submit scrapbooks to the Agriculture Science Teacher or County Extension Agent supervising the project prior turning in the scrapbook.

8. **Failure to Comply:** Participants who fail to fulfill their obligations as stated in these Rules will result in revocation of the USC Certificate and will require repayment of certificate value to Rodeo Austin.
9. **UIL Amateur Standing:** The University Interscholastic League State Executive Committee, in cooperation with the State Board of Vocational Education, has formulated the following model for USC Rules, which permits the event, but still protects the Participant’s amateur standing. This is done, as will be noted in the Rules, by placing the whole matter under the supervision of the Agricultural Science Department of the School and prohibiting the Participants from receiving anything of cash value for winning the athletic part of the program.
 - a. A Participant shall not receive rewards of any kind for participating in USC.
 - b. Special awards may be given for these animals when they are exhibited in competition with other animals. All awards money and other money derived from the sale of the animal will belong to the Participant as a reward for their labor, feed, veterinary, insurance and other costs after the year’s project has been completed and the animal is shown at Rodeo Austin Junior Livestock Show.
 - c. Title to an animal received in USC shall NOT pass to the Participant catching the calf until the Participant has demonstrated under competent supervision their interest in caring for the animal and their ability to follow competent instructions in feeding, grooming and showing said animal. The animal must be returned for exhibit at the next Show, unless circumstances approved by Show Management of the Show concerned, and supervisor make this impractical, before title is turned over to the Participant. (For example: The animal may turn out to be unsuitable for the project due to deformity, disease, or other unforeseen reasons, or the student is failing in school).
 - d. Animals received in USC will not be allowed to be sold, traded or disposed of except by the consent of Show Management and the Participant’s supervisor. Under no circumstances will a “For Sale” sign be displayed while the livestock project is being exhibited at Rodeo Austin Junior Livestock Show.

Specific TAHC regulations will supersede the Show requirements if there is a dispute between the two in which the Show Rules are less restrictive than TAHC regulations.

The Show considers itself an interstate (accepting entries of livestock and poultry from within Texas and from other states) Show for livestock entries. Exhibitors with livestock originating outside the state of Texas are encouraged to contact their state Animal Health officials to confirm what specific requirements, if any, their state may impose on animals returning from a Texas Show.

Routine Inspection Procedures (What the Exhibitor Should Expect):

1. For the Horse Show, representatives of the Show will meet the incoming horse trailer at Gate #2.
2. All documents are to be examined and a visual inspection of the shipment is to be made. Be certain that Certificates of Veterinary Inspection, EIA test information, permits, etc. are still valid. A visual exam of the animals is to be made to ensure that the animals described on the documents are the same as those in the shipment.
3. If shipments meet all entry requirements, Rodeo Austin will allow the driver to proceed without delay. Return the certificates and other documents to the owner or driver.
4. If shipment does not meet the requirements, the driver should pull the truck or trailer out of the traffic's way. If animals must be unloaded, they must remain in a separate pen (holding area) away from other livestock. Individuals should be allowed to contact the Official Show Veterinarian or their own veterinarian to obtain proper documents and/or test. Documentation must be in writing – no corrections will be allowed by phone. Fax documents are permissible.

Certificate of Veterinary Inspection must indicate that the accredited veterinarian found the animals, horses or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. The certificate is valid for 45 days for equine and for 30 days for all other species. Prior entry permits are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.
